Dear Mr. Gunderson:

This letter forwards the Soil Sampling and Analysis Plan to characterize Individual Hazardous Substance Sites 121 and 148 at Building 123. Although the Colorado Department of Public Health and Environment (CDPHE) has already approved the document, it was revised as a result of discussions between Kaiser-Hill and CDPHE personnel.

This letter requests the CDPHE's approval of the revised document.

Sincerely

Régina R. Sarter
